

EDENDALE EDITION DECEMBER 2107

Warm holiday wishes to all Edendale residents and their loved ones! We hope everyone enjoys a blessed holiday season filled with all your favorite things. Safe travels to those who are going over the river and through the woods.

Sincerely,
Teri, Doug, Leah, Paulla, and Ian

Holiday Party: Please join us for an Edendale staff provided holiday party luncheon on **Thursday Dec. 14th beginning at 11:30am**. The food will be catered by Kowalski's and the menu will include rotisserie turkey, mashed potatoes, dressing, gravy, green beans, butter rolls, and pumpkin pie. Please watch for a sign-up sheet so we know how much food to order.

Elevator Update: The expected dates for the elevator to be down are **January 22nd through February 5th**. Please avoid scheduling any doctor appointments during that time if possible. The elevator could be used during an emergency if an employee of the elevator company is present. A meeting will be scheduled in January to discuss further updates.

Carpet and Trim: The carpet for 2nd floor and the trim for 2nd through 5th floors will be delivered and installed sometime late in

December. We apologize for the unexpected and extended duration of this project.

Snow! What snow you may ask! It's only a matter of time. We will work hard to keep sidewalks and driveways clear, however from previous years, we know that it's not always possible to keep everything completely clear especially in the north parking lot which is in shade most of the day. We usually will plow after 2" of snow falls, however there may be some circumstances (like ice and extreme cold temperatures coming) where it's prudent to plow with less snow. If we do need to plow, we will post signs alerting residents and guests when it will be done. We will hope to clear the visitor lot before we ask you to move your cars, so that you can move your cars to this lot. However, if this is not possible, you will need to move your car elsewhere when we plow. Thank you for your patience and understanding.

Vacations: Doug will be off on 12/7 and 12/8. With the holidays, staff may be taking some extra days off. Please get any work orders submitted in the morning or as soon as possible as there may be times when staff is not present to follow up right away.
