

# Avinity GOLDEN OAKS

May is here, Summer is around the corner. The planting season will soon be underway. The residents are looking forward to getting our gardens growing. We are looking forward to many days outside, Barbecuing and playing outdoor games. We have enjoyed a few already. With summer coming and being outside residents will need sun screen, hats and light jackets or sweaters. We are starting up our family nights again, they will be the last Monday of every other month at 7:00 pm. Hermantown's will be in May 28th at 7:00 pm in Hermantown Golden Oaks. We will be changing some of the activities and adding a few additional ones, so that all residents have activities that will be of interest to them. If you have any ideas that your loved one enjoys doing please pass them our way. We will be having a Mothers Day Tea on May 12th at 2:30 pm so come and join us for tea and cookies.
