**REMINDER ON GIFT GIVING AND TIPS**

Holidays are coming and many residents like to show their appreciation to employees by providing them with gifts and tips. Unfortunately, employees cannot accept gifts or tips. Employees appreciate your kind words and we encourage you to tell the Housing Administrator, if you appreciate our staff. If you still feel compelled and want to make a monetary donation to the Employee Appreciation Fund you may contact the Housing Administrator Don Sable.

**CHAPLAIN'S CORNER****Thank You Veterans**

Each year, I try to take a veteran out for lunch or coffee as a way of saying thank you for the sacrifices they have made serving our country. Recently I was looking for ways in which I could inspire others to find a Veteran to honor with gratitude. In my search I found inspiring words by President Obama on Veterans day 2012 I'd like to share them with you:

"...Each year, on the eleventh day of the eleventh month, we pause — as a nation, and as a people — to pay tribute to you. To thank you. To honor you, the heroes, over the generations, who have served this country of ours with distinction.

And moments ago, I laid a wreath to remember every service member who has ever worn our nation's uniform. And this day, first and foremost, belongs to them and their loved ones: to the father and mother, the husband and wife, the brother and sister, the comrade and the friend who, when we leave here today, will continue to walk these quiet hills and kneel before the final resting place of those they cherished most.

For it is in the sacrifices that we see the enduring spirit of America. Since even before our founding, we have been blessed with an unbroken chain of patriots who have always come forward to serve. Whenever Americans come under attack, you've risen to her defense. Whenever our freedoms have come under assault, you've responded with resolve. Time and time again, at home and abroad, you and your families have sacrificed to protect that powerful promise that all of us hold so dear -- life, liberty and the pursuit of happiness.

Today, a proud nation expresses our gratitude. But we do so mindful that no ceremony or parade, no hug or handshake is enough to truly honor that service. For that, we must do more. For that, we must commit -- this day and every day -- to serving you as well as you've served us."

I encourage each of you to find a Veteran to offer your thanks. Here are some ways you can show your appreciation:

- perhaps it will be through a note or letter;
- showing interest in their service;
- taking the time to listen to their story;
- take them out for a walk;
- buy them lunch;
- take them out for coffee;
- go to the USO web page and send an e-letter to one of our troops actively in service;
- Offer a simple word of thanks!
