Looking For Hope

¹ In the beginning God created the heavens and the earth. ² The earth was without form and void, and darkness was upon the face of the deep; and the Spirit of God was moving over the face of the waters.

³ And God said, "Let there be light"; and there was light. ⁴ And God saw that the light was good; and God separated the light from the darkness. ⁵ God called the light Day, and the darkness he called Night. And there was evening and there was morning, one day.

Genesis 1: 1-5

While my family was at the cabin on Lake Vermilion a few months ago we saw a beautiful display of the Milky Way Galaxy. Seeing those billions of stars was inspiring and filled me with hope. Even though there is much turmoil here on earth, I believe the Love of God is as big as the heavens and we can be a people of hope.

There is a prevailing theme in Genesis that God brings order out of chaos. Throughout the book, the author impresses upon us over and over again that God desires to bring his goodness and love to a chaotic and evil world.

At the very start we see that the light God creates is good. In each of our lives we've seen the darkness this world has to offer. Remember though, that just as God created the light in the beginning, so his light radiates within you.

The question I leave for you is: Where have you seen the light of God recently? What does the light of God mean to You? - Hope, Security, Happiness, Love... Hope, Beauty, and Love are there, so look for it. It will develop within you a grateful heart and mind, and bless you with peace.

SAMARITAN PURSE OPERATION CHRISTMAS CHILD

Operation Christmas Child is about donating small gifts in a shoebox for impoverished children around the world, including right here in the United States. You cannot pick the country that you want your shoe box to go to, but you can pick the age range and gender of the child that you want to donate the box to.

Please think about donating to Operation Christmas Child, by filling a shoebox for a needy child. We will have samples of packed shoe boxes, pamphlets, and some empty shoe boxes to use, **Thursday, November 3rd from 8:00-10:00 and 3:00-4:00 in the Scandia Room.**

A Poem to Share

There Will Come Soft Rain

Sara Teasdale

There will come soft rain and the smell of the ground,
And swallows circling with their shimmering sound;
And frogs in the pools singing at night,
And wild plum trees in tremulous white;

Robins will wear their feathery fire,
Whistling their whims on a low fence-wire;
And not one will know of the war, not one
Will care at last when it is done.

Not one would mind, neither bird nor tree,
If mankind perished utterly;
And Spring herself when she woke at dawn
Would scarcely know that we were gone.

“There comes a time when people get tired of being pushed out of the glittering sunlight of life’s July and left standing amid the piercing chill of an alpine November.”

~ Martin Luther King, Jr.

“November: The last month of autumn, but the beginning of a new adventure; time to take a risk and do the unexpected.” - Unknown

Laughing Matters

A child asked his father, "How were people born?" So his father said, "Adam and Eve made babies, then their babies became adults and made babies, and so on."

The child then went to his mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now."

The child ran back to his father and said, "You lied to me!"
His father replied, "No, your mom was talking about her side of the family."

Teacher: "Who can make a sentence with the word 'detail'?"

Little Johnny puts his hand up and goes to the front of the classroom.

He said: "When de rabbit jumps over de fence, de head goes before detail"

.....

A husband is reading a newspaper article to his wife.
"Women use about 30,000 words to a man 's 15,000 " he reads.
"That's because we have to repeat everything we say to men," she replies.
Her husband puts down the paper and says "WHAT?"

.....

Son: "Dad, will you help me find the lowest common denominator in this math problem?"

Dad: "Don't tell me that still hasn't been found, they've been looking for it since I was in school!"
