

## Avinity's **Shining Star** Program

Did a staff member act with kindness or above-and-beyond service that made your day? You may recognize them by making a gift in their honor. This is a program in which anyone that has been touched by the people and services that make up our ministry nominate employees who have delivered exceptional service. Each nomination is coupled with a donation to the [Foundation](#) and a golden Shining Star pin for the employee.

Please call Mary at 612-243-4591 for assistance with making a Shining Star gift.
